**BTCC (MOST RECOMMENDED: Up to \$15,015 Bonus to claim)**

After introduce the above four popular exchanges in Canada, here, we would like to introduce [BTCC](#), one of the longest-running [exchanges](#) in the world, which not only boosts these advantages, but also

avoids the shortcomings or offers good solutions.

As one of the longest-running exchange in the world, BTCC is committed to making crypto trading reliable and accessible to everyone. With a mission of providing a trading platform that is fair and reliable in every sense, BTCC strives to uplift the industry's standard for quality trading. At present, BTCC offers service in more than 100 countries and regions with more than 6 million registered users. The following sets forth the major advantages that BTCC owns compared with other major exchanges.

### **Industry-leading security**

BTCC attaches great importance on security. Since founded in 2011, BTCC has never been hacked or been a victim of any other kind of successful malicious attack, which fully illustrates its security capabilities. Through measures like segregation of assets, 1:1 storage of users' assets, money laundering prevention and identity authentication and no collateralising tokens for loans, BTCC enjoys good reputation in asset security.

### **High Liquidity & Volume**

BTCC is ranked top 10 by trading volume on both CoinMarketCap and CoinGecko, the world's two largest crypto information platforms. BTCC prides itself on providing crypto futures trading services to users worldwide with market-leading liquidity, offering perpetual futures on over 100 cryptocurrencies, including BTC, ETH, DOGE, LTC, SOL, XRP, SHIB, etc.

### **Extremely low fees**

Charging high fees means less return for investors. Compared with other major exchanges, BTCC only charges 0.06% for both takers and makers, which are far below the industry average. According to the largest and most recent empirical study on crypto exchange trading fees, the average spot trading taker fee is 0.2294% and the maker fee is 0.1854%.

### **High and rich rewards**

BTCC holds all kinds of campaigns where investors can participate to win exciting rewards. For example, new users can get rewards up to 10,055 USDT coupon through completing relevant missions, like registration, identity verification, first deposits, cumulative futures trading volume, etc. Besides, becoming VIP also can enjoy rewards like VIP-exclusive perks, including discounts on trading fees, access to exclusive campaigns, BTCC merch, priority customer support, fast withdrawal, and many more.

### **Large and flexible funding options**

In addition to the major digital currencies like BTC, ETH, BCH, LINK, LTC, ADA, DOT, EOS, XRP, and UNI, investors can also trade DASH, DOGE, SHIB, FIL, XLM, XMR, GRT, RNDR, EGLD, and KLAY on BTCC. BTCC offers flexible leverage up to 150x across daily and perpetual contract types, supporting a wide range of popular trading pairs such as BTC/USDT, ETH/USDT, ADA/USDT.
