Bitcoin Aligo (ALG) Presale

The Bitcoin Aligo presale event are undergoing, with the first-stage price set to \$0.0011. No details about the number of presale stages are available. However, the presale event will conclude in 60 days, or when 200 billion tokens are sold off, whichever happens first.

The discount price of \$0.0011 during presale stage serves as a good entry point, and the number of tokens and multiple stages give it the potential to increase in value by more than 10,000% once it goes live.
