## Chimpzee's Unique Ecosystem

One of the things that make Chimpzee outstanding is its unique ecosystem that combines financial incentives with a noble cause. Overall, the unique Chimpzee ecosystem is an interconnected network of various Web3 platforms and features, including the Chimpzee store (Shop2Earn), the NFT Marketplace (Trade2Earn), and the Zero Tolerance Game (Play2Earn).

### Shop2Earn

Representing the commerce hub of the ecosystem, the Chimpzee store provides an opportunity to earn CHMPZ coins when customers purchase a variety of Chimpzee gear, whereas a percentage of the profits are donated to worthy organizations focused on protecting animals and the environment.

In this context, the "ShoptoEarn" component incentivizes customers to make purchases or engage with the platform's products or services by offering rewards in the form of CHMPZ coins, which can

be used to unlock discounts or special offers within the ecosystem. Chimpzee NFT passport owners earn more CHMPZ coins and acquire access to special discounts and promotions.

## Trade2Earn

Innovative and interactive, the Chimpzee NFT Marketplace will be one of the first marketplaces that shares a portion of the trading fee profits with everyone on the platform. This means that users can earn a share of the trading fees generated on the marketplace by holding a Chimpzee NFT passport or by actively trading on the marketplace.

## Play2Earn

As the main entertainment juncture of Chimpzee, the Zero Tolerance Game is a game that rewards users with CHMPZ coins when they reach certain milestones, providing an additional opportunity to earn through the platform. Overall, the game's name is "zero tolerance," emphasizing how Chimpzee and his army stand up to fight to protect the animals we share our planet with and ultimately stop the mechanics of man from destroying our forests.

In these detrimental circumstances, there is "zero tolerance" for abuses against nature and our environment, To recognize their commitment, those players that use their personalized Chimpzee Avatar or NFT Passport will receive additional benefits, rewards and earn more CHMPZ coins.

Overall, the project behind the CHMPZ token has established a structure that allows members of their community to protect the earth while earning CHMPZ reward. This innovative approach not only provides a compelling use case for the token but also ensures its long-term sustainability and appeal to socially conscious investors.

## CHMPZ Tokenomics

The CHMPZ token represents the core financial unit of Chimpzee ecosystem and is utilized to purchase Chimpzee NFT passports required to earn the most passive income and get the highest amount of benefits and rewards.

Every CHMPZ coin used to purchase a Chimpzee NFT Passport when it launches is burned and taken out of circulation. This has a potential to burn up to 5 Billion tokens from the circulating supply.

To foster the viability of Chimpzee, a solid and sustainable structure for Tokenomics was established:

- **Public sale(45%):** Tokens will be sold to the public.
- **Exchange & Liquidity (10%):** To get on popular exchanges and dex's at later time.
- **Marketing(15%):** To spread the word of Chimpzee to the world and build a new movement to protect animals and save the environment.
- **Community Rewards (5%):** To reward the community for their support and activities to help spread the word.
- **Charity (10%):** To donate to organizations helping save animals and fight climate change.
- **Development(10%):** Development - To support the development of the Chimpzee ecosystem.
- **Team (5%):** For talent acquisition and team growth.

## CHMPZ Staking

Within the Chimpzee ecosystem, participants are allowed to stake either their CHMPZ tokens or NFT Passports to earn more rewards. The annual percentage yield (APY) varies based on the amount staked, ranging from 5% for those with 1,000 CHMPZ tokens to 40% for holders of 10,000,000 CHMPZ tokens.

To stake an NFT Passport, participants are required to connect their digital wallets to the Chimpzee website. They can select their passport type—whether it is diamond, gold, silver, or bronze; then click the “Stake” icon to review the details.

The final step is for users to pay the required gas fee and confirm the transaction in the pop-up from their connected wallet. Once that’s done, they can check the status of their staked passports in the “Wallet Information” section of the Chimpzee dashboard.

The staking opportunity provides a steady income stream with minimal effort. It also pushes long-term engagement within the Chimpzee platform. Thus, when participants stake their digital assets, they show commitment to the crypto project’s mission, and in return, they receive profits with an extra reward.

## Chimpzee NFT Passports

Chimpzee is featured with four categories of NFT Passports—diamond, gold, silver, and bronze. Each one offers different advantages, like yearly interest rates, discounts, and special access to Chimpzee events and deals.

Diamond NFT Passport comes with a 20% APY, offers the most rewards and benefits of all the NFT Passports. There are only 950 Diamond NFTs available, and they could cost up to 5 ETH, making it a preferred tier for people who want to earn the most rewards.

The Gold, Silver, and Bronze NFT Passports offer 18%, 15%, and 10% APYs, respectively. They also offer some store discounts and reduced fees for NFT trading and advertising. This tiered system was created to cater to all investors based on how much they have.

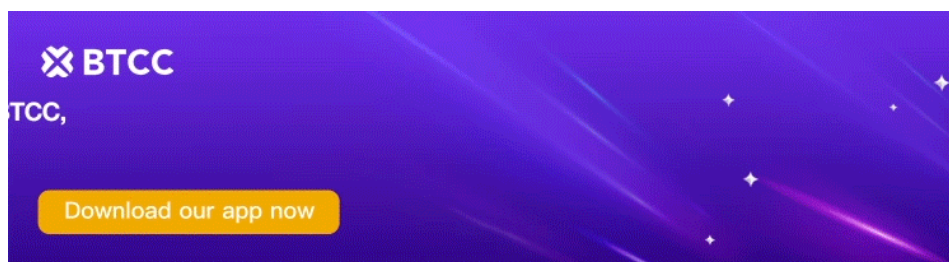

Holders of Chimpzee NFT Passports are also open to giveaways, such as a \$10,000 prize for 2 lucky NFT Passport owners this fall. The winning passport will be selected and displayed on the Chimpzee website.

Chimpzee also has an ongoing NFT promotion, with winners expected to be announced in the coming months. This promotion offers various prizes ranging from \$250 to \$10,000 for various NFT passport holders.

- 2 prizes of \$10,000 USDT (Any NFT Passport Holder)
- 1 prize of \$5000 USDT (Diamond Passport Holders Only)
- 2 prizes of \$2500 USDT (Gold Passport Holders Only)
- 3 prizes of \$1000 USDT (Silver Passport Holders Only)
- 4 prizes of \$500 USDT (Bronze Passport Holders Only)
- 20 prizes of \$250 USDT (Any NFT Passport Holder)

These rewards deepen users' commitment to environmental conservation efforts while they invest in valuable virtual assets.
