With the rapid development of digital asset, crypto industry has seen growing adoption and acceptance around the world, especially after the successive approval of spot Bitcoin ETFs and spot Ethereum ETFs by SEC in 2024.

In 2024, cryptocurrency plays a key role in upcoming US presidential election, which can be proved from the successive change in stance of candidates Donald Trump, Joe Biden on cryptocurrency. Under such favourable condition, more and more investors show growing interest in cryptocurrencies. However, it may be confusing for investors to choose a best crypto exchange to start their trading journey, especially for beginners.

In this article, we will compare CoinSmart and BTCC, two popular exchanges, from different metrics, such as supported cryptocurrencies, safety, fees, user friendliness, service scope, customer service, advanced features, license held, and more, thus helping traders decide which platform is better for their demand.

## Final Verdict

After comparison, it is not difficult to find that both CoinSmart and BTCC are good exchanges catering to demand of beginners and experienced traders. For those looking for high security, enjoyable trading experience and low trading fee, both CoinSmart and BTCC are suitable choice.

However, BTCC is a better choice for those investors who:

- Wish to obtain large selection of cryptocurrencies
- Attach great importance on advanced features like margin trading, futures trading
- Hope to conduct crypto trading in the USA

As one of the longest-running exchange in the world, [BTCC](#) is committed to making crypto trading reliable and accessible to everyone. With a mission of providing a trading platform that is fair and reliable in every sense, BTCC strives to uplift the industry's standard for quality trading. At present, BTCC offers service in more than 100 countries and regions with more than 6 million registered users.

Except for the above-mentioned better points compared with CoinSmart, BTCC also stands out in other aspects, like high liquidity & volume, flexible leverage up to 225x, rich rewards, etc. We believe join BTCC would make your trading journey more delightful!
