How to Buy Wall Street Memes Crypto – Step-by-Step Guide for Beginners

Original:

<https://www.btcc.com/en-US/academy/research-analysis/how-to-buy-wall-street-memes-crypto-step-by-step-guide-for-beginners>

The presale for the [Wall Street Memes cryptocurrency](#) project began on May 26, 2023 on [wallstmemes.com](#), with the initial stage of thirty stages selling the project's native token, WSM, for \$0.025.

Using a [cryptocurrency](#) wallet, such as a MetaMask or Trust Wallet, this guide explains how to participate in the [Wall Street Memes](#) presale. On the official WSM presale website, there is a 'how to buy' section explaining the process.

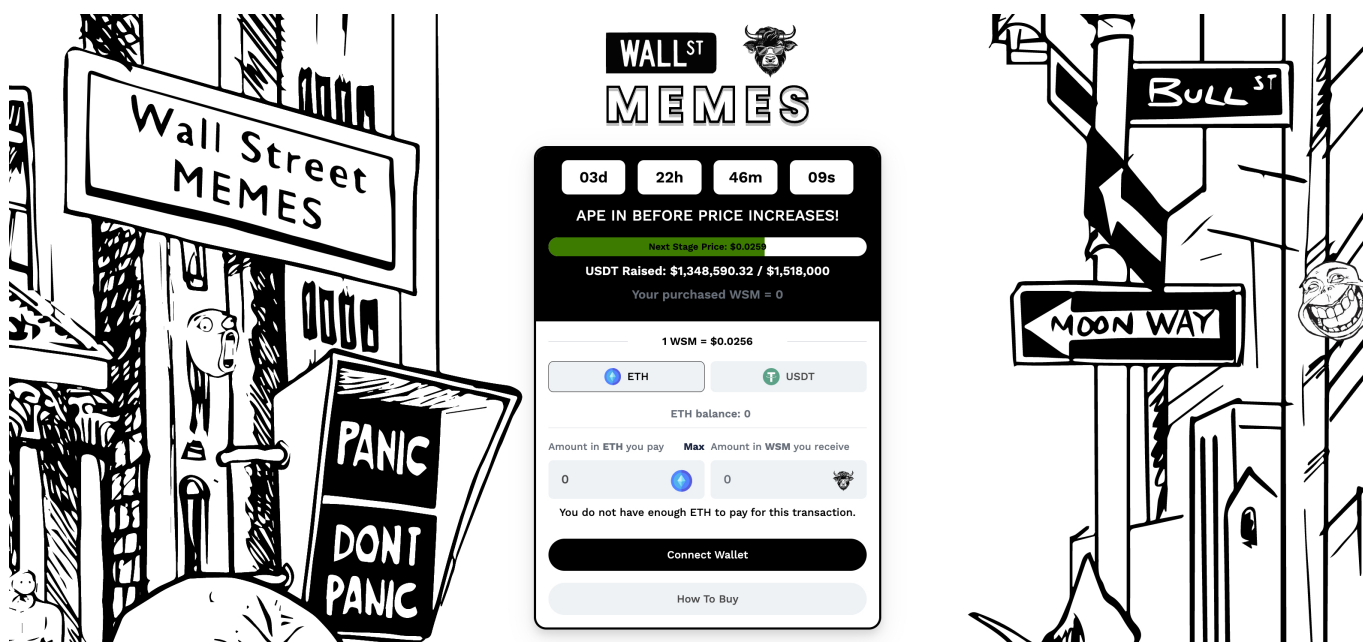

In less than three weeks, the presale has raised \$6.25 million, with over \$300,000 raised on the first day alone. In this final stage of the presale, [WSM](#) tokens may be purchased for \$0.0283 each.

About Wall Street Memes Presale

Before it hits crypto exchanges in Q3 or Q4 of 2023, the public is welcome to participate in the Wall Street Memes presale and buy WSM coin at a discount.

The primary function of this meme coin is as a reward token for the investors and traders that follow the subculture of Reddit that originated in response to the “infamous GameStop fiasco of 2021” and continues to this day.

Meme tokens like Dogecoin (DOGE) and Shiba Inu (SHIB) in 2021 and Pepe (PEPE) in 2023 when Bitcoin's price began to rebound from the 2022 bear market were the best-performing assets despite their lack of practical use.

30 year old mfs going to work while 16 year old Kyle turned his \$670 investment in a shitcoin named [\\$PEPE](#) into \$900,000 pic.twitter.com/gUrxAci2Ox

— Wall Street Memes (@wallstmemes) [May 5, 2023](#)

Many meme currency investors become millionaires thanks to the Pepe bull run. The '\$WSM army' wants to follow in Gordon Gekko's footsteps and prove that 'greed is good' (a catchphrase from the film Wall Street, where Gekko played a composite character).

To "tokenize the movement," Wall Street Memes has created a cryptocurrency that can be owned and exchanged entirely by the community, with only 50% reserved for presale buyers, 30% for community prizes, and 20% for exchange liquidity.

Due to its popular NFT collections and Instagram memes focusing on investing in crypto and stocks, or "stonks," the Wall Street Memes token already has a wide backing from one million followers across its social networks.

How to Buy Wall Street Memes Crypto

Here are the actions you need to take during the presale of the Wall Street Memes token:

Step 1: Create a Crypto Wallet

If you don't currently have a MetaMask wallet and would like to participate in cryptocurrency presales from your computer, you can create one by following the steps provided on metamask.io.

Trust Wallet, Binance's official mobile wallet, is widely used. It can be downloaded from the Apple or Google Play stores. It's also available in a desktop format. We'll be working with Trust Wallet throughout this tutorial.

The Wall Street Memes presale accepts a variety of payment methods through the convenient WalletConnect feature.

[Deposit and Receive Up to 10,055 USDT!](#)
[Trade on BTCC Now](#)

Step 2: Connect Wallet

Be sure you're visiting the real wallstmemes.com before clicking the "Connect Wallet" button, as scam sites sometimes imitate popular crypto presales. Wall Street Memes wants to connect to your wallet' is the message you'll see after choosing an option like Trust Wallet.

It is important to remember that in no crypto project will you ever be asked to reveal your seed

phrase to the administrators. Scammers will operate a phoney domain asking for your backup phrase or wallet address in order to purchase tokens or receive an airdrop.

[Deposit and Receive Up to 10,055 USDT!](#)

[Trade on BTCC Now](#)

Step 3: To get \$WSM, you can trade ETH, BNB, or USDT

To buy \$WSM with ETH, USDT, or BNB, enter the desired amount; the total you will receive will be presented before you confirm the purchase.

ETH

USDT

ETH balance 0.0250823463

Amount in **ETH** you pay

Max

0.01

Amount in **\$WSM** you receive

701

0.015 ETH is reserved for gas. The actual amount used will depend on the network.

Buy Now

Buy with BNB

You may get Ethereum, Tether, and Binance Coin from an exchange or your wallet. Gas prices change throughout the day, so plan accordingly.

Due to overwhelming demand, the first stage of the \$WSM sale (depicted above) sold out in under 48 hours. The price of \$WSM increases over time to reward early adopters.

The Wall Street Memes Dapp (wallstmemes.com) and network costs will be summarised on the following screen once you click “Buy Now” in Trust Wallet, and the message “smart contract call executed” will be displayed.

You may also use your debit or credit card to purchase Wall Street Memes tokens.

[Deposit and Receive Up to 10,055 USDT!](#)
[Trade on BTCC Now](#)

Step 4: Claim Tokens

When the presale is over, reconnect your wallet and your WSM tokens will be sent there. The precise claim time and date, as well as the DEX and CEX listings, will be announced via the Wall Street Memes presale social channels.

You can check how much \$WSM you bought during the presale by visiting the Wall Street Memes website and linking your wallet before the claim date.

[Deposit and Receive Up to 10,055 USDT!](#)
[Trade on BTCC Now](#)

Conclusion

To purchase Wall Street Memes tokens during the presale phases, a cryptocurrency wallet can be linked to the official site and ETH, USDT, or BNB can be exchanged for WSM, or a credit card can be used. The goal was \$30,577,000, and in less than two weeks, more than \$6.25 million had been raised.

Keep in mind that administrators won't initiate contact on social media platforms like Discord, Telegram, Instagram, or Twitter; the official accounts for these services may be found on the Linktree.

Don't let anyone have access to your crypto wallet backup phrase (seed phrase) or other passwords/two-factor authentication. If you lose access to your wallet or fall victim to phishing links, you may never be able to retrieve your \$WSM tokens.

Please only confirm transactions from trusted sources and only buy Wall Street Memes token from wallstmemes.com until it is listed on a DEX or CEX.
