Base Dawgz (DAWGZ) Presale

Before launching \$DAWGZ on Base Chain, Base Dawgz are offering a chance for early supporters to get a solid ground rush and participate in the presale.

Base Dawgz allocates 20% of its 8.45 billion tokens for its presale, approximately 1.69 billion tokens.

Base Dawgz started its presale in June 4, pricing each \$DAWGZ token at just \$0.00479 in Stage 1 of its presale. \$DAWGZ can be bought with ETH, SOL, BNB, AVAX and USDT.

So far, just a week after launching its presale, Base Dawgz (\$DAWGZ) has raised more than \$1 million from eager investors. However, like most other presales, the token's price will increase with each new stage.

The project will see its next price increase in about a week. This means that investors interested in buying this token have a little over five days before the price increases in its first scheduled increase. After that, the token will see a price boost in multiple presale stages until it concludes the ICO and reaches its first listing.

Is Base Dawgz (DAWGZ) a Good Investment in 2024?

Base Dawgz is not just a project; it's a movement. By integrating advanced multi-chain functionality with the spirit of extreme sports, Base Dawgz aim to bring a fresh and exhilarating experience to the crypto world. With meticulously planned roadmap, robust tokenomics, and cutting-edge technology,

Base Dawgz is expected to show high potential for future growth after its presale.

In conclusion, Base Dawgz seems like an interesting and potentially revolutionary project for adventure and opportunity seekers, with its multi-chain nature and a rather rewarding offering. However, as the crypto market is full of uncertainties, it is still necessary for all investors to do profound research and stay well-informed before making any investment decision regarding Base Dawgz (DAWGZ).

How to Buy Base Dawgz (\$DAWGZ) Tokens?

Buying Fight Night tokens during the presale is a straightforward process. You need a crypto wallet and some ETH or USDT to complete the purchase. Here's how it goes step-by-step:

Step 1: Get a Crypto Wallet

As the Fight Night token is built on the Ethereum blockchain, investors need an Ethereum-compatible wallet to buy the \$FNIO tokens and store them once the presale ends.

Step 2: Buy ETH or USDT

You need ETH in your crypto wallet to pay transaction fees, but you can buy Fight Night tokens with ETH and USDT.

Step 3: Connect Your Wallet to the Presale Site

Visit the Fight Night presale site and connect your wallet. You will see a MetaMask pop-up, asking you for connection approval.

Once you approve the connection, select either ETH or USDT to make a purchase and enter the amount you wish to spend. The Fight Night presale site will automatically convert it to the current exchange rate.

Step 4: Buy \$FNIO Tokens

Confirm your transaction and approve it in your MetaMask wallet. Consider staking your tokens to take advantage of the high staking annual percentage yield (APY) during the early stages.
