Battle Bulls goes beyond mindless tapping. It's a strategic playground where you become the founder of your own crypto company. Each player of this game is capable of enhancing their bull—a fierce and fearless warrior—who assists in earning in-game euros, which can then be converted into real tokens. Since its pre-launch on July 1, 2024, Battle Bulls already had attracted the first million of players in less than a few weeks, laying the groundwork for what's to come.

Key Features of Battle Bulls

Battle Bulls boosts three outstanding gaming features to achieve rapid growth and popularity. The three key features include:

- **Classic clicker gameplay:** Players relentlessly tap the screen to earn in-game euros, which can be converted into BULL Tokens—a new cryptocurrency set to debut on major exchanges on Nov. 1. To accelerate in-game euro earnings, players can purchase various cards, such as a card that boosts the number of coins earned per hour, even when offline.
- **Arena battles and leagues:** Battle Bulls will introduce an arena where users can engage in battles against each other. Rewards are given for dealing maximum damage to an enemy in Battle Bulls. Furthermore, the game boasts ten thrilling leagues, each structured with ten challenging levels. By participating in these leagues, players can amplify their victories with additional bonuses. Enhancing the bull properly is recommended before joining leagues. The

bull's strength increases through clicks.

- **Leveling up:** The more coins a player has, the stronger the bull becomes, and the higher the player climbs. Achieving a high level increases the number of coins received per click. The pinnacle status in the game is Grandmaster, which provides significant boosts to players, leading to victories and rewards.

Airdrop and Rewards from Battle Bulls

The BULL Token, designed exclusively for the Battle Bulls game, is poised for an exchange listing debut on November 1st. Early players have the opportunity to accumulate in-game euros, which can later be converted into BULL Tokens and withdrawn. The airdrop is scheduled for Aug. 1. Besides clicks and victorious battles, players can accumulate in-game euros in Battle Bulls through the following ways:

Rewards for completing tasks: Battle Bulls is committed to ongoing development and rewards active players. There is a daily reward that players must claim. Rewards are also available for simple actions like subscribing to a channel. Promotional codes are regularly posted on the official game channel. Additionally, As players ascend through the game's tiers, the rewards escalate, acknowledging their achievements.

Inviting friends: A lucrative incentive program encourages players to invite their friends to the fray. For each successful invitation, a generous in-game euro reward ranging from 5,000 to 25,000 awaits. Rewards can vary based on the type of Telegram account the friend has, whether it is premium or regular.
